VISION
To provide value based education and sculpt the students to become proficient technical professionals of future.

MISSION
We are determined to remain always the best educational institute with our continuous, consistant and dedicated efforts and committed to provide high standard of education, technical knowledge and skill to our students to become excellent engineers.

QUALITY POLICY
To be the leading institution in providing engineering education with help of dedicated and competent faculty and thereby develop a platform for enhancing the employment opportunities to the students and contribute for the development of the nation.

Dr. G. SEETHARAMAN
Principal

Er. M. SUBRAMANIAM
Chairman
The College
Oxford Engineering College managed by the KSM Educational Trust. This prestigious institution has made its humble beginning on 14th November 1998 with the approval of AICTE, New Delhi (F.No.732-52-021 (NDEC) 56c)/ET/97/dt 24.07.98.
College located from 3 Kms. from Central Bus Stand, Trichy.

COURSES OFFERED

U.G. Courses
- B.E. Mechanical Engineering
- B.E. Electronics and Communication Engineering
- B.E. Computer Science and Engineering
- B.E. Civil Engineering
- B.E. Electrical and Electronics Engineering
- B.Tech. Information Technology

P.G. Courses
- M.E. (CSE)
- M.E. (VLSI Design)
- M.E. (Communication Systems)
- M.E. (Thermal Engineering)
- M.E. (Structural Engineering)
- M.E. (Embedded System & Technology)
- M.E. (Industrial Safety Engineering)
- M.B.A.

Teaching Faculty
The College has a coterie of staff members committed to their profession and dedicated to their students fraternity. Some of the faculty members have 20 – 25 years of industrial experience who teach the theoretical aspects with practical examples. Apart from the regular staff, experts from reputed companies like IISC Bangalore, BHEL and nearby industries, frequently visits the campus as resource persons to enhance the knowledge of the students, and to improve their personality and managerial skills. Seminars, Workshops, Symposia etc., are regularly conducted. Guest lecturers of repute or invited periodically to address the students in their field of specialization.

Library
The library has an excellent collection of more than 22,000 volumes on 12,749 titles of different disciplines covering all major fields of Engineering Science and Humanities, 51 Journals, 666 project reports, 28 Magazines, 271 online journals, 15 conference proceedings and 1441 back volumes.

The library receives 325 national and international periodicals including IEEE & Springer publications.

The members of the faculty as well as the students may check the availability of books through LAN connected computers and also reserve books in advance.
Hostel
Well furnished and sophisticated hostel for boys and girls are available within the college campus. 250 boys and 250 girls can be accommodated in the hostels.

Discipline
Strict discipline with guided democracy is adhered by the management. Any breach of discipline, either inside or outside of the campus, that would bring down the image of the college will be viewed seriously. Ragging is strictly prohibited and those who indulge in it will be liable for action as per the provisions of the law.

Transport
To communicate to college and back to home six buses run from different parts of the city. The bus fare is concessional and the areas covered are BHEL, Sirangam, T.V.Koil, Chathram Bus Stand, Puthur and Trichy Junction.

Canteen
A hygienic canteen is run by the management in the campus to cater to the needs of the students and staff. Meals, Snacks and Cool drinks are available in the canteen on all working days.

DEPARTMENTS

Department of Science and Humanities
The Department of Science Humanities provides the rudiment to all the Engineering departments. The laboratory of Physics, Chemistry and English are well equipped with modern gadgets.

Mechanical Engineering
The Mechanical Engineering department has a very good reputation and is dedicated towards the advance technology and science. The department has various fully equipped laboratories such as Basic Workshop, Carpentry Shop, Welding Shop, Plumbing Shop, CAD/CAM Laboratory, Machinery Laboratories, Metrology and Measurement Laboratory. Training to analysis simple stress and strain of structural analysis is also given using FEM package.
Electronics and Communication Engineering
The department has a team of well qualified, experienced and dedicated faculty members with industrial and teaching background. The department is well equipped with all latest laboratory equipments and softwares and it supports the following laboratories : VLSI Lab, Digital and IC's Lab, Communication Lab, Microwave Engineering Lab, Micro-Processor Lab, Fibre Optics Lab.

Computer Science and Engineering
The department aims to impart high quality education as well to carry out at the cutting edge of technology research in the various discipline. The department uses main computer centre with dedicated systems of latest configuration. All the latest software is available in the centre. The centre is equipped to cater to the needs of the following laboratories : Programming Language Laboratory, DBMS Lab, Internet and Networking Laboratory, Digital System & Hardware, Graphics and Multimedia, Visual Programming, Data Structures and Algorithm Lab, System Software Laboratory, Software Development Laboratory.

Information Technology
The department has grown in strength over the years in terms of Infrastructure facilities, Technical expertise, Faculty Strength, Modern Teaching Aids and Browsing facilities. The department has qualified and experienced faculty members and technically competent supporting staff on its rolls who can provide consultancy in the following areas such Programming Language & Paradigms, Software Performance Engineering, Data Mining, Wireless LAN, Image Processing, Computer Design, Advanced Architecture, Cryptography.

Electrical and Electronics Engineering
The department is having a team of dedicated & competent faculties working for the growth of the department and the institution as well. The department is well equipped with all latest laboratory equipments and softwares and it supports the following laboratories : Electrical Machines Lab, Micro Processor Lab, Electronic Circuits & Devices Lab, Control System Lab.
Civil Engineering

Management Studies
The department has taken upon itself the responsibility to provide the best inputs to the students in conformity with the changing environment which explain why business management degree are most sought after by the students. The department offers five stream of specialization such as HR, Finance, Marketing, Systems and Operational research management.

Extra & Co-Curricular Facilities
Sports & Games
Fine Arts Club
Tree Plantation by - Smt. Nirmala Subramaniam, GC Member
NSS Camp
YRC - Blood Donation Camp
Training & Placement Cell

The Placement cell is headed by a full-time Placement Officer. Recognizing the complexity of the Career Planning process and the variety of options available of Graduates. The Training and Placement development needs of students.

The uniqueness of the training activity is that, the programme finds a place in the regular time table and this mould the students into "Rounded Personalities" with self assessment and leads to identifying a career that meets individual goals.

Some of the Companies where our Students Placed are

- L&T Infotech, Chennai
- Aspire System Ltd., Chennai
- Shriram Value Services Ltd., Trichy
- Precision Infomatic (IV) Pvt. Ltd., Chennai
- Data Pattern Ltd., Chennai
- Syntel Ltd., Chennai
- Maytas Infra Ltd., Chennai
- Godrej Boyce Ltd., Chennai
- EDAC Engg. Construction Ltd., Chennai
- Sanmar Engineering Corporation Ltd., Chennai
- Tata Consultancy Services, Chennai
- American Mega Trends India Pvt. Ltd, Chennai
- TEMENOS India Pvt. Ltd., Chennai
- Caritor India Pvt. Ltd., Trichy
- Cether Vessels Ltd., Trichy
- Cognizant Technology Solutions, Chennai
- HCL, Chennai
- IBS Software Services Ltd.,
- i-flex Solutions Ltd., Bangalore
- Indian Army
- Slash Support India Pvt. Ltd., Chennai
- GB Enterprises, Trichy
- Wipro, Chennai
- SAPINET, Haryana
- Sure Soft Systems Pvt. Ltd., Pondicherry
- Robert Bosch Engineering Ltd., Coimbatore
- Honeywell Ltd., Madurai
- Allsec Technologies, Bangalore
- Apex Knowledge Solution, Chennai
- CAMS, Chennai
- Covansys, Chennai
- Vaxgen Technologies, Chennai
- Sify Limited, Chennai
- Indian Navy
- L- Cube Innovative Solutions Ltd., Chennai
- Roland Technology Solutions Ltd., Chennai
- Southerland Global Services Ltd., Chennai

- Vaxgen Technologies, Chennai
Microsoft Innovation Centre launched at JCET

Special Correspondent

CHENNAI: Jayaram College of Engineering and Technology at Pagaalavadi, near Thiruvur in Tiruchirappalli district celebrated the privilege of having a Microsoft Innovation Centre (MIC) on its campus on Wednesday.

The MIC was launched by Microsoft's Country Head Joseph Landes. The College Chairman M. Subramanian exchanged MoUs with Microsoft in the presence of the Vice-Chancellor of Anna University, Chennai, and the Principal. It was also attended by students and other attendees at the event.

The MIC will focus on providing opportunities for students and faculty to work closely with Microsoft on projects that can benefit both the college and the broader community.

First College Excellence Cluster launched by CII in Tiruchirappalli Zone

The Centre for Excellence in Learning, a joint venture of the CII and the Government of Tamil Nadu, has launched its first cluster in Tiruchirappalli zone.

The cluster aims to provide students with exposure to current industry requirements and help them develop the necessary skills to succeed in the job market.

“Make sports part of curriculum”

The Tamil Nadu State Government has decided to make sports an integral part of the curriculum in schools.

The decision is aimed at promoting physical fitness and healthy lifestyles among students, as well as fostering a sense of teamwork and discipline.
