

OXFORD ENGINEERING COLLEGE, TRICHY – 09.

DEPARTMENT OF PHYSICS

SIR C. V. RAMAN ASSOCIATION – 2013 [PHYSICS]

GUEST LECTURE ON “ FUNDAMENTALS OF MATERIAL SCIENCE”

21.11.2013 AT SEMINAR HALL 12.15PM TO 1.30PM

A Seminar on **FUNDAMENTALS OF MATERIAL SCIENCE** was conducted on **21.11.2013** in Department of Physics at Oxford Engineering College, Trichy.

The Guest lecture was delivered by chief guest **Dr. R. RAMASAMY**, Assistant Professor of Physics, National College, Trichy.

He has given a valuable lecture about the types of materials, various combination of crystals and also explained about the applications of superconductors to the first year B.E/ B. Tech. students. Students from all the branches were participated and gained a good knowledge from his lecture.

Dr. G.Seetharaman, Principal and Dr. M. AYYAPPAN, HOD OF H&S also spoke in the function.

STUDENTS' INTERACTION
