Department of Electronics & Communication Engineering inaugurated its association ‘OCEAN GALAXY’ for the current academic year 2016 -17 on 15th July 2016. The Association members were introduced by Ms. N. Poornima HOD/ECE. Dr. S. Moorthi, Assistant Professor, Department of EEE, NIT Trichy was the chief guest and delivered the inaugural address. In his address, he provided information about the latest trends in wireless sensors networks and explained his various projects on embedded with FPGA as controller to all ECE students. He also motivated the students to take projects that would provide solutions to the problems faced in industries. Vote of thanks was delivered by pragadeeshwari, president of association.
